

Subject:- Amendments in e. tender notice No 09 of 2015 dated 12.5.2015 floated for procurement of Communication items required for different Communication Centers & for Common Communication Centre Katra.

Pursuant to the queries received from intending firms about above mentioned tender notice floated by this Hqrs for procurement of Communication items required for different Communication Centers & for Common Communication Centre Katra following amendments are hereby made in said tender:-

| S.NO | Query | Recommendation for amendment | Amendment made |
|------|---|--|--|
| 01 | M/S MCIL New Delhi vide letter No.MCI/SU/M713/JK/01/2015 dated 19-05-2015(P-263) intimated that item no 05 Data communication terminal with radio/Telephone modem is a solution to be integrated with multiple hardware and software manufactured by different OEM,s. The branded OEM,s like HP/DEL etc did not bother to provide authorizations as per appendix 1st and II of the tender merely for six computers. Firm requested to provide undertaking from the bidder instead of manufacture letter head. | IGP Telecommunication vide above mentioned reference as intimated that solution of Data communication terminal is to be procured from a single vender with 02 years warranty hence separate authorizations of hardware/ software of different items like computer, printer, and Ups which are covered under warranty does not require. | Since Data Communication Terminal is an integrated solution. Intending firms can furnish authorization of complete solution on prescribed formats. |
| 02 | Amendments recommend by IGP communication in the specifications of exchanges. | In item no 01 & 02 Point no 16 "ie exchanges must have compatible GSM interface (03 SIM & 02 Based respectively)" and item no 03 Point no 05 of 24 Port exchange "ie the exchanges should be 100% non blocking with standby power supply. | Please read serial No 16 "exchanges must have compatible GSM interface (03 SIM & 02 Based respectively) in items No 1 & 2 " 256 and 120 port exchanges and exchanges should be 100% non blocking with standby power supply against item No 3 point No 05 (24 port exchange) and also treat words written as "with requisite crypto material in the heading of item No 06 deleted". |
