

Notice

Subject: - Amendment in e.tender No 25 of 2013 dated 18.12.2013 floated for procurement of Communication items.

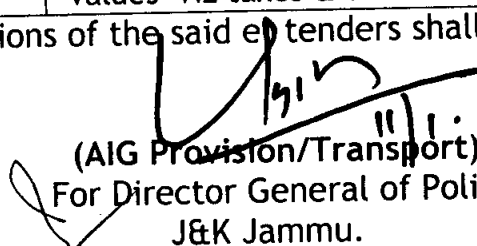

In view of the queries raised by various intending firms about e.tender No 25 of 2013 dated 18.12.2013 floated by this Hqrs for procurement of Communication items, following amendments are hereby made in the said NIT to ensure maximum participation of the firms in tendering process:-

- I. Last date of receiving tender offers = 20.1.2014 upto 1600 hours
- II. Date of opening of online technical bids = 23.1.2014 1100 hours

Queries	Clarification/amendment
item.No 10 Digital UHF Hand Held Set 400 Mhz.RF Power output should be 1-4 watt adjustable instead of 1-5 Watt adjustable as amended in NIT	R.F Power 1-5 is the requirement of J&K Police at present keeping in view the topography of the State.However, 1-4 Watt or above is also acceptable in the said digital radio.
(ii) S.No 11 Digital UHF Hand Held Radio 800 Mhz. RF Power output should be 1-2.5 watt adjustable instead of 1-5 watt adjustable as mentioned in the NIT.	R.F Power 1-5 watt is the requirement of J&K Police at present keeping in view the topography of the State.However,1-2.5 Watt or above is also acceptable in the said digital radio.
Digital Transreceiver equipment should have both technologies viz TDMA / FDMA instead of TDMA only as both technologies are approved by MHA GOI & DGS&D	Selection of TDMA technology as protocol for digital sets has been made as per users requirement /choice which is completely in line with QRS/specifications of the digital Sets prepared ,approved & circulated by the MHA in December 2012.
Item No 3 Data communication Terminal with radio/telephone modem, UPS 01 KVA(line-interactive)at point A (4) and 0 1 KVA on line at E.	May be read 01 KVA UPS line interactive instead of 01 KVA UPS online.

Format for provision of optional items	Participating vender's are required to quote the rates of optional items after quoting rates of the required items so that rate comparison of the optional items is also made accordingly.
Tower for installation of antenna of Duplex Radio to be kept optional	Department accede the request of the vender's to keep antenna optional as at some sites building tops can also be used however, firms needs to quote per meter rate of the antenna in optional items.
Firms intimated that item No 3 Data Communication Terminal & item No 07 Duplex Radios are solution based systems comprising of various devices of different manufacturers who authorize multi-user's for participation in the tendering process which becomes contradictory to point No 30 of the terms & conditions which envisaged that either OEM or authorized dealer can quote against tender.	Since few firms deals with manufacturing of Data Communication terminals & Duplex Radios .As such in order to avoid inadequate response & ensure healthy competition both OEM and their authorized distributors are allowed to participate in the tendering process .
Amendment in the specification of 02 KVA off line UPS with 30 minutes back up (Item No 20)	Kindly read 02 KVA on line instead of off line & input voltage 170 Volts instead of 140 Volts AC.
Amendment in BOQ	BOQ columns H,I,J,K & L are allowed to utilize by the participating tenderers to facilitate the quoting of values viz taxes & duties etc.

Other terms & conditions of the said tenders shall remain Unchanged.
