## C I R C U L A R .

Subject: e-tendering.

Government of Jammu & Kashmir has implemented the e-procurement system of NIC (GePNIC) to conduct all stages of tendering process for procurement of goods, services and works. As per the latest circular of the Finance Department, it is mandatory for procurement of goods, services and works for more than ₹10.00 Lakhs to be done through e-tendering.

However, it has been observed that the subordinate formations/DDOs of J&K Police are still issuing NITs in the traditional format which is against the norms fixed by the Government.

In the aforesaid context heads of all the Wings, Zones, Battalions, Districts and all other DDOs of Police Department are directed to forthwith register their offices with the e-procurement application of the National Informatics Centre (GePNIC) and start e-tendering for purchases for ₹10 Lakh or more, forthwith. All the DDOs shall desist splitting of works to avoid e-tendering as prescribed under the guidelines issued by the Government.
